NUMBER 42

WOMEN'S INSTITUTE SUBSCRIBES TO Y.M.C.A.

Generous Donor Doubles Amount Collected

Monday, May 6, was a "field day" for the Kelowna Women's Institute. Ten new members were added to the roll, a new prisoner of war was adopted in the place of L. C. Harry Chaine, who has been removed to Holland. An apron shower was held in aid of patriotic funds. Mrs. Ball gave a forceful talk on Food Conservation, and a committee was appointed to canvass the town with the food pledge cards. An offer had been made to duplicate up to \$100 the amount raised by the Institute for the Y.M.C.A. Mr. Rogers, chairman of the local committee, addressed the meeting for a few minutes. A subscription list was passed and the sum of \$105 was pledged. The good friend, whose generous challenge "provoked the members to good works," doubled the amount, making it \$210.00. Additional subscriptions of \$7.00 were later received, and the sum of \$217.00 will be handed to the local treasurer of the Y.M.C.A.

The concluding feature of the programme was an excellent demonstration on "Dry Cleaning" by Miss McFarlane, teacher of Domestic Science in the schools.

BOY SCOUTS LOSE A FAITHFUL MEMBER

C.P.R. Moves Henry Crowley to Field

The promotion of P. L. Henry Crowley in the service of the C.P.R. is a great loss to the Kelowna Boy Scouts, for on Monday morning he left Kelowna for Field, and with one stroke they are deprived of their Troop Secretary, Bugler and Beaver Patrol Leader. Henry was one of the faithful and original firsts; having joined the troop in June, 1912, two months after it was formed. He was a King's Scout, as well as the holder of eight proficiency badges and combined the duties of Troop Leader and Secretary for the greater part of last year up to this year when the offices were divided. So it was with exceeding regret and sense of loss that various members of the troop saw the boat taking him from them on Monday morning. "Field is not far, though," writes Scoutmaster Weddell, "and we may see something of him at times, but wherever he may be the best wishes of the Troop for his good luck will follow him, and knowing this, we hope, encourage him in the great game of life just beginning."

Red Cross Collects \$850 During April

During April, the Okanagan Ambulance League sent the following articles to Red Cross Headquarters: 186 pairs of socks, 48 shirts, 48 ties, 60 suits of pyjamas, 138 stretcher caps, 1 surgeon's gown, 12 personal property bags, 15 khaki slings, 2 pillows with pillow cases and 8 dozen face cloths.

During the same month, Westbank Red Cross sent in: 12 suits of pyjamas, 15 khaki slings, 5 personal property bags, 20 pairs of socks; Okanagan Mission—8 pairs of pyjamas and 10 stretcher caps; Benvenuto—33 stretcher caps, 96 face cloths and 33 pairs of socks.

The following contributions are gratefully acknowledged: Mrs. Ashbridge, 1 pair of socks; Mrs. Wm. Crawford, of Crawford Falls, 1 pair of socks and 1 pillow; Mrs. J. I. Campbell, 1 pillow and 2 pillow cases; Mrs. Grote Stirling, 1 pair of socks; Mrs. J. W. Jones, 6 pairs of socks.

Contributions of cash during the month were: Mrs. Gaddes, \$2.00; Fees, 75c; Red Cross Dance, \$101.75; J. Ball, \$1.00; Archdeacon Greene, \$2.00; K.L.O. Red Cross, \$43.95; Prisoners of War Fund, \$78.50; Mrs. Cameron, \$2.00; Mrs. Boyce, \$2.00; Mrs. A. R. Drysdale, \$2.00; Mrs. Rees, \$5.00; Mrs. C. Wilson, \$2.00; Mrs. Bagley, 25c; Choral Society, \$59.00; Cafe Chantant, \$158.00. Total \$850.20. The deficit from March was \$24.24, leaving a total of \$825.96. After deducting the expenses for April, amounting to \$301.94, the balance on hand stands at \$524.02.

Notice

In order that The Courier may reach its country readers earlier in the week this paper is now being published on Wednesday evening. Advertisers and correspondents will kindly be governed accordingly.

LOCAL MERCHANT FINDS CANNED DOG

A dog was the cause of quite a humorous event at Norman Day's dairy last week. The dog made its way into the dairy and pushed his head into a milk can containing milk. After quenching his thirst he tried to withdraw, but, alas, the drink had evidently gone to his head, for the can was firmly lodged. The dog ran around blindly in all directions and was eventually discovered in his sad plight. All efforts to remove the can proved futile, however, and a hole was punched through the end to allow the dog to breathe while the police were communicated with for instructions. Subsequently the can was cut from the dog's neck, the owner was found and presented with a bill for the cost of the can and the milk.

WEDDING

Orsio-Woods

The home of Mrs. Woods, Pendozi Street, was the scene of a quiet wedding at 7 o'clock, on Saturday morning, when her second daughter, Elsie, was united in marriage to Etdio Orsio, the ceremony being performed by the Rev. E. D. Braden. The bride was attended by her sister, Lillie, while her brother, Arthur, acted as best man to the groom. After the ceremony breakfast was served, and later the happy couple left by car for Vernon where they spent the day returning that evening. Mr. and Mrs. Orsio will reside in Kelowna.

Irrigation Service to City Lot Holders

Kelowna Water Users' Community Arrange for Service to 300 Acres

The office of Mr. Groves, the provincial water engineer for this district, was crowded to full capacity last Friday afternoon when a meeting was held for the purpose of discussing the reorganization of the irrigation system serving city lots, popularly spoken of as "the old city ditch." It will be remembered that last year Messrs. D. McMillan, A. Cameron and J. Nicol built a new flume from Harvey Avenue across Glenn and Bernard Avenues down to Mr. McMillan's property on Richter Street North. The operation of this line with its many branches did not appear to have been altogether successful, as owing to the lack of a water bailiff and the poor condition of the works an efficient service could not be relied upon. Two things brought the matter to a head this year, however, one was the action of Mr. Groves in threatening to cut the water off unless the headgates and works were put into proper repair, and the other was the large number of people who intended trying to get a share of the water.

The meeting comprised Messrs. J. L. Pridham, L. E. Taylor, F. R. E. DeHart, J. B. Knowles, Dr. Seon, C. A. Wilson, J. Nicol, D. McMillan, Geo. E. Thompson, J. Bigger, J. Harvey, Hughes Bros., C. McCarthy, J. C. Stockwell, A. Cameron, T. S. Ruffell, H. Richards, D. Bertram and E. Clement. Mr. L. E. Taylor was assigned the position of chairman and the task of going into the matter of the licence covering the water. As soon as this was found to be in order the question of forming a water municipality was taken up. There appeared to be only one argument against such action, which was the liability which might be incurred by such a municipality in the event of basements of city residences becoming flooded. This was eventually overcome, however, as it was felt that the benefits to be obtained from the use of the water easily over-ruled any such risk, while on the other hand it was pointed out that it would be practically impossible to prove that any seepage water which might cause trouble was coming from this particular ditch.

A bill or work already performed was next presented, which with labor and materials amounted to \$250.58. In addition to this a new dam would have to be made, costing about \$200, as the head of water would have to be large in order to supply the numerous demands which would be made and flumes would have to be repaired. The big headgate would have to be repaired, which would run to about \$260.00. Roughly speaking, the total initial expense was therefore placed at \$700.00. A call was made round the room for the number of acres requiring irrigation from this water. Several known users were not present, but their acreage was estimated and included in the list in order to arrive at a pro rata figure. Including acreage outside the city which would be served by these works a total of 300 acres was listed. This included 80 acres of Bankhead, 80 of Mr. Pridham's ranch, 22 acres in lots, 12 of Mr. Geo. E. Thompson's, 100 acres in the townsite, and a number of other small holdings. This made an expense against capital of about \$2.30 an acre which would be chargeable to property owners only. Those occupying property within the city would have to provide a water bailiff. This was estimated to cost about \$300.00 for three months, making an expense for them of \$3.00 an acre.

With these figures arrived at it was soon decided that the organization should go ahead, and Mr. DeHart moved that a water users' community be formed under licences 135 and 136 to be known as the Kelowna Water Users' Community. This was seconded by Mr. Knowles and carried. It was also decided that an interim committee of management be formed consisting of Messrs. D. McMillan, J. Harvey and H. C. Richards. A further resolution was passed that Mr. A. Whiffin's account be paid and that the Kelowna Water Users' Community, Mr. J. L. Pridham, The Bankhead Orchard Co., Messrs. G. E. Thompson, Geo. Ritchie and L. E. Taylor bear their share pro rata of acreage irrigated.

Boy Scouts Delight Large Audiences

Commissioner Heneage Awards Silver Crosses and Badges at Annual Entertainment

The usual crowded house attended the annual Boy Scout entertainment which was held last Friday evening and repeated on the following afternoon, at the Kelowna Theatre. The annual display by the Scouts and Cubs is an event much looked forward to and of which a great deal is expected. While possibly this year's entertainment fell slightly short of the past two years it was, nevertheless, a most creditable achievement, both to the boys themselves as well as to those in charge, and the audience were delighted. Practically every event was encored, and deservedly so. The two silver crosses and the various badges won by both Scouts and Cubs during the year were presented with well chosen words by the Commissioner, the Rev. and Hon. T. R. Heneage.

The items of the programme consisted chiefly of gymnastic feats and drills and several songs in chorus. After the "Assembly" by the bugle, the opening chorus, "The British Grenadiers" was given. This introduced the kazoos, which might be described as somewhat unmusical musical instruments, though, on the other hand, they added their share of effect. Later "Li'l Liza Jane" was given and warmly applauded, as was also "Over There," the war song of our American brothers across the line. "Where Do We Go From Here" formed the closing chorus of the evening. All these songs were accompanied by Miss E. Jones, while Mr. Geo. McKenzie conducted them, the excellent time and appropriate tone speaking well for his command. The Cubs also gave a chorus without the aid of the Scouts, "Our Flag," being well sung to an accompaniment by Miss Packham.

The first of the drills was given by the Cubs, who, sixteen in number, showed splendid uniformity, with dumb-bells of their own make. They were accompanied by Henry Tutt at the piano. Equally as pleasing were the human pyramids built by the same boys. This feature was repeatedly encored. An exhibition of First Aid by a number of Scouts was the next event, and included "What to do when a lady's dress catches fire," "A rescue over broken ice," and "Bandaging and removing a person with a broken thigh." These items were creditably performed, but were somewhat of a disappointment to the audience, as being done on the floor of the stage they were only visible to the people of the few front rows. The frantic screams and kicks of the "lady" with the burning dress, however, made up for a lot of other entertaining. An exhibition of tumbling included a great deal of remarkably clever work and proved one of the most popular items of the evening. This closed with a five-tier collapsible pyramid, which was repeated for the encore. An exhibition of Swedish drill later in the evening showed splendid time and movement.

Scout R. Duncan gave a well rendered vocal solo, "You Can't Keep the Irish Down," and Scout C. Richards recited "Limberger Cheese," both events being well received.

In presenting the awards, Commissioner Heneage spoke of the honour gained by the four Kelowna boys in winning silver crosses for saving life, and also of the honour to the troop in winning the Lieutenant-Governor's Shield. Later, he recalled the splendid work being done by Scoutmaster Weddell and by Cubmaster Gordon, for both of whom cheers were given. Musical honours were also accorded to Scoutmaster Weddell by the audience, and were briefly responded to by the thanks of the Scoutmaster.

The badges and awards presented by Commissioner Heneage were as follows:

Silver Crosses to P. L. G. Groves and Scout J. Groves.

All Round Cord (Grade A), First Class Badge and War Service Badge (84 hours) to P. L. R. Parkinson.

King's Scout Badge to Second T. Taylor.

Horseman Badge to P. L. C. Gaddes and R. Parkinson, Second G. Mantle, R. Weddell and T. Taylor, and Scouts B. Davis, L. Gaddes, C. McKenzie, E. Hunter, S. Whitehead and F. Sinkinson.

Naturalist Badge to P. L. J. Calder.

Missioner Badge to P. L. C.

(Continued on page 4)

G.W.V.A. New Quarters Are Now Fitted Up

Bed Furnishings Are Only Things Still Needed

Members of the Kelowna Great War Veterans' Association met last Saturday evening to make further arrangements for the fitting out of their new quarters. Definite announcements were made as to the various amounts which had been raised locally towards their fund for furnishing their quarters, and much of the time was spent in remarks of appreciation and in expressing thanks of the members for what citizens and others had done. Votes of thanks were passed to Mayor Sutherland, Messrs. J. Mantle and H. G. M. Wilson for the proceeds of the dance arranged by them and which resulted in \$247.30 being contributed, after paying all expenses. In this connection, Mrs. J. Richards and Mrs. R. W. Butler were also thanked for providing the supper, which had aided in making the dance a success. Their share of the proceeds of the choral concert had amounted to \$27.50, and for this thanks were passed to Mr. H. Tod Boyd and his choir. The numerous lady helpers at the recent Cafe Chantant were similarly thanked for the net sum of \$158.00 which had been handed to the Association.

This money will go a long way towards equipping the premises and the Association hopes to take possession this week. Four beds have been installed, but the furnishings for these beds are still needed. The Association believed that many citizens and others might have spare material which would be suitable for this purpose and would be glad of any donations along these lines which would prevent them from raising funds for this particular purpose. Such furnishings can be left at the Association's rooms or at Mantle and Wilson's office.

Two More Soldiers Return Home Again

One Is Too Old and One Is Too Young, but Both Got to France

Monday evening's boat brought two more of Kelowna's soldiers back to their homes. These men were Pte. A. Anderson and Pte. T. Davy. Pte. Anderson enlisted in the 172nd Batt. and went overseas in the fall of 1916. After spending a couple of months in the trenches he was put on farm work but on account of being over military age he was later sent home.

Pte. T. Davy enlisted in the 2nd C.M.R.'s and went overseas in May, 1917. He spent about six months in France, but on account of being under age was sent home.

Both men have to report at Vancouver in a couple of weeks.

NEW ATHLETIC CLUB HAS BRILLIANT START

Elect Officers for Many Branches of Sport

An attempt to revise sport amongst the young men of the city and district was made last Wednesday evening at a meeting to which a number of the business men had been invited. The entire meeting was enthusiastic for some such organization, and the Kelowna Amateur Athletic Club came into being with flying colors and a running start. Mr. L. V. Rogers acted as chairman and outlined the needs of the district for some such enterprise. The meeting comprised principally a talk over the situation and the election of officers. The latter resulted in Mr. Rogers being elected as president with Mr. E. C. Weddell as vice-president, with a supporting executive of Messrs. G. Kennedy, H. G. M. Wilson, H. F. Rees and W. M. Crawford. Norman DeHart was elected secretary, with Jack Thayer as treasurer.

Without waste of time, the Club outlined quite a number of plans for the coming season, both as regards football, lacrosse and baseball. Norman DeHart was chosen captain of the baseball team; Jim Calder, Fred Fowler and Lloyd Day were appointed as a committee to arrange for a baseball team, while A. Woods was put in charge of the football. Aquatic events will also be arranged through the Club, and the annual war canoe will come under their direction, as will most of the other water events.

This was followed a few days later by a meeting of the executive, when the season's events were further outlined, and the decision was reached that every adult male citizen should be made a member and asked to pay an annual subscription of \$1.00.

The secretary has written to Vernon, Summerland, Penticton and Peachland, urging them to organize clubs to compete in various events with the K.A.A.C. A lacrosse practice took place on Monday night and was well attended, showing that a large number of boys were desirous of playing, and practically proving that an excellent team can be got together of boys of nineteen and under. Baseball practice took place the following night, which also bespoke a promising season on the diamond.

Mr. and Mrs. G. H. Kerr left on yesterday afternoon's boat for Vancouver.

Dr. and Mrs. Mathison went down to Summerland yesterday afternoon.

Mrs. Harry Dillon returned last Saturday afternoon from Seattle.

The "Okanagan" took the lake run on Tuesday and yesterday in place of the "Sicamous," the latter boat being overhauled in readiness for the coming season.

Orchard Run

The war has brought many wonderful changes, and nowhere is the new order more manifest than in England. But apparently development has gone ahead in unexpected quarters and along lines which one would scarcely expect to see develop in steady, old England. It used to be an accepted fact that "tall" stories were the particular production of the North American continent, especially of the man from the south of the Line, but a story has reached us this week through the columns of the "South of England Advertiser," published at Arundel, Sussex, England, which would make the old-time Yankee green with envy. This "truly wonderful egg story" comes from a reputable man and is vouched for by a Mr. Andrews, of North Street, Chichester, and describes how a little boy had, last September, saved eightpence to buy an incubator chick. The purchase was made and the father bought two more for company, one a cockerel and one a pullet, making two pullets. Time went on and no eggs came. On Tuesday in Holy Week, the father gave the children three-pence to buy some chicken food. The children, by mistake, got some stuff at a florist's and gave it to their birds. The result, explains the letter from the correspondent, was that on Tuesday afternoon there were five eggs. The next morning the children got up at 6.30 and gave the birds the remainder of the pound neat. On that day, Wednesday, 24 eggs were laid; on Thursday, 7; Friday, 5; Saturday, 3. Meaning poultry experts from all around interviewed the chickens and were flabbergasted, for the "chicks lay whilst they wait." Dad went with the boy to the shop, it was a florist's, he did not sell food for chicks but he could remember serving the boy with—Dad kept the secret, had the stuff analysed, and has been granted Patent No. 4,616. The communication concludes with the announcement that experiments are being conducted with the patent, but unfortunately no more is said as to the number of eggs being laid, though it says that the birds are still alive and doing well. Anyway, this discovery should be the last straw to the German U-boat failure.

On the same day that we get the news that German troops have occupied the Crimea and are in possession of Sebastopol, that historic Black Sea port, come the very significant news that the British have made a surprise advance in Mesopotamia and that the Turkish army in Palestine is in danger of being cut off from its home supply unless a strong army is sent against the British or a long retreat is made. This is certainly more than mere incident. With Germany in possession of the Black Sea ports it becomes a matter of policy that the allies have some hold on the Dardanelles both now as well as after

the war. Little has been said of late as to how Turkey is faring these days. Long ago food was said to be a scarce article there. Have our allies any belief that a sudden blow to Turkey would cause her to desire peace to such an extent that she would refuse to listen to Germany's commands? Northern Palestine is said to be one of Turkey's main sources of supply, and while it is a long way across Smyrna to the original Turkey in Europe, it appears to be quite possible that our Indian and Australian troops, together with African colonial troops, can open up a new zone of interest in the war news of the next few months.

"Clean-up Day" reminds us that the tidiness of our boulevards is a matter that should receive more than mere passing attention. If neighbours would only group together and grade and cultivate their boulevards with grass and shrubs, or even follow the example of North Vancouver and other places and plant potatoes on the boulevards after the grading is done—although in a city like Kelowna where so much vacant land exists this latter course is not necessary—the effect would be so pleasing that without a doubt it would be copied on every street in town. Wherever an unbroken row of houses exists this could be done without cost and with very little trouble. Unfortunately our side-walks have been laid too high to permit of good boulevarding with the most pleasing effect, but we can still make the best of a bad job and assist in putting in a little attractiveness where none existed before.

Ald. Mantle suggested that the grass at least should be kept cut on the roadsides where the boulevards ought to be. It was not long ago that the suggestion was made that the city should own a flock of sheep and keep them on the move round the city to keep the grass down. The sheep would undoubtedly pay for the cost of having a boy to herd them, but the trouble is that they might not pay for the damages which they might do if they walked through open gates and drives into people's gardens. On the other hand, as a war-time measure and as a profitable undertaking it might be a feasible project worthy of consideration. Pasture on the streets of the city amounts to a great many acres, and pasture in the city is said to be worth fifteen dollars an acre. Why waste it?

Mrs. Illingsworth's Recipe for War Time Rice and Cheese

All the ingredients of this recipe are cheap, and one of the men in the office testifies to the goodness of the Rissoles. His wife tried them.

Cook 1/2 lb. of rice in plenty of boiling and salted water. When the rice is soft, dry it and strain it. Mix in 3 ounces of grated cheese and a bit of butter the size of a walnut and add mustard, pepper and salt to taste.

Add sufficient Pacific Milk to bind the mixture to a thick paste, form into Rissoles (or patties) and fry until brown in boiling fat. Serve them very hot.

An early morning Prayer Meeting will be held in the Baptist Church on Friday morning, at 6 a.m. All friends are heartily welcome.

Land Registry Act

(Section 36 and 134)

Re Applications No. 14406F, 14407F and 14408F

TAKE NOTICE that application has been made to register The Corporation of The City of Kelowna as owner in fee under a Tax Sale Deed from Percy T. Dunn, Collector of The City of Kelowna, bearing date the 20th day of October, 1916, of ALL AND SINGULAR that certain parcel or tract of land and premises lying and being in the Municipality of The City of Kelowna more particularly known and described as Lots 4 to 17 inclusive Block 1; Lots 3 to 35 inclusive Block 2; Lots 1 to 36 inclusive Block 3; Lots 1 to 18 inclusive Block 4; Map 1448.

You are required to contest the claim of the tax purchaser within thirty days from the date of the service of this notice (which may be effected by publication in Kelowna Courier), and your attention is called to section 36 of the "Land Registry Act" with amendments, and to the following extract therefrom:

"and in default of a caveat or certificate of his pendency being filed before the registration as owner of the person entitled under such tax sale, all persons so served with notice, and those claiming through or under them, and all persons claiming any interest in the land by virtue of any unregistered instrument, and all persons claiming any interest in the land by descent whose title is not registered under the provisions of this Act, shall be forever estopped and debarred from setting up any claim to or in respect of the land so sold for taxes, and the Registrar shall register the person entitled under such Tax Sale as owner of the land so sold for taxes."

AND WHEREAS application has been made for a certificate of indefeasible title to the above-mentioned lands, in the name of The Corporation of The City of Kelowna,

AND WHEREAS on investigating the title it appears that prior to the 12th and 13th days of October, 1915, (the dates on which the said lands were sold for overdue taxes, you George G. Lyster were the registered owner of an Agreement for Sale thereon, you Midgley Ogden and Geo. R. Albrighton (Geo. R. Albrighton) were the registered owners of an interest in a Sub-agreement and assessed owners of an interest therein, you T. H. Wheeler were the assessed owner of Lot 4, Block 1, you B. Valle were the assessed owner of Lots 34 and 35, Block 2, you F. Ducommun were the assessed owner of Lot 15, Block 4, and you James B. Brown were the assessed owner of Lot 16, Block 4.

FURTHER TAKE NOTICE that at the same time I shall effect registration in pursuance of such applications and issue a Certificate of Indefeasible Title to the said lands in the name of The Corporation of The City of Kelowna, unless you take and prosecute the proper proceedings to establish your claim, if any, to the said lands, or to prevent such proposed action on my part.

DATED at the Land Registry Office, Kamloops, B.C., this 29th day of April A.D., 1918.

(Signed) C. H. DUNBAR,
District Registrar.George C. Lyster,
Midgley Ogden,
Geo. R. Albrighton (Geo. R. Albrighton),
T. H. Wheeler,
B. Valle,
F. Ducommun,
James B. Brown.**THE CORPORATION OF
THE CITY OF KELOWNA**

NOTICE IS HEREBY GIVEN that the first sitting of the annual Court of Revision for the purpose of hearing complaints against the assessment for the year 1918 as made by the Assessor, and for revising, equalizing and correcting the Assessment Roll of the City of Kelowna and Kelowna City School District, will be held in the Council Chamber, Kelowna, on Monday, May 27th, 1918, at 10 a.m.

All appeals, complaints or objections must be in writing and delivered to the Assessor at least ten (10) clear days before the first sitting of the Court of Revision.
Dated at Kelowna, B.C., this 20th day of April, 1918.
G. H. DUNN,
City Clerk.

40-5

LOCAL and PERSONAL

Miss McFarlane went down to Penticton on Wednesday.

Mrs. Dr. Knox was a passenger to Summerland yesterday afternoon.

Mrs. W. R. Reed arrived from Toledo, Ohio, on Monday afternoon's boat.

Messrs. Roth and Leo Casorso left on Thursday morning's boat for Vancouver.

Mrs. J. Campbell and daughter returned from the Coast last Friday afternoon.

Mr. E. Graham, provincial constable, returned from the coast on Monday afternoon.

Miss Winter, niece to Mrs. W. C. Cameron, left on Wednesday morning's boat for Minneapolis.

Dr. Keller and Mrs. Keller left last Thursday morning for Kingston, Ontario, to visit their son, Cadet Keller.

Mr. Gordon Whitehead went up to Vernon yesterday morning to be examined by the military authorities.

Commissioner Heneage, of the Boy Scouts, came in last Friday, and left on Tuesday morning for Victoria, B.C.

Mr. Hughes, brother to Mr. J. W. Hughes, arrived last Thursday afternoon from Olds, Alberta, to spend the summer in Kelowna.

Mr. Henry Crowley, formerly baggage manager at the C.P.R., left on Monday for Field where he has been transferred. He has been succeeded by Mr. A. W. Andrews.

Mr. F. Hill, of the Dominion Express, left for a week's holiday at Vancouver this morning. He is relieved by Mr. McDonald, of Vancouver.

The police have issued a warning that dogs chasing pheasants are liable to be shot at sight. Several complaints have been made lately of dogs chasing these birds in the City Park.

On Thursday morning, Mr. Percy Harding arrived from Nelson. He is taking up his residence here again and is going to take charge of the bicycle end of Mr. Trenwith's business, looking after repairs, etc.

Mr. and Mrs. Scott and family arrived from Ashcroft on Wednesday afternoon of last week. Mr. Scott is a brother-in-law to Mr. H. Johnston and is taking over Mr. E. Biggar's plumbing business on Lawrence Ave.

Mrs. Ivor Thomas, sister-in-law to Chief Constable Thomas, arrived in the city on Thursday afternoon from Dairon, Manchuria, China. Mrs. I. Thomas, who was at one time a resident of Salmon Arm, intends to spend the summer in Kelowna.

Next Sunday morning in the Baptist Church the Rev. W. Arnold Bennett will preach on the "History of Heresy, but the Comforts of Divine Grace." At the evening service his subject will be "Graduating from the Holy Ghost School of Theology." The song service will commence at 7.15 p.m.

Replace Your Buggy With a Ford

MORE than 100,000 Fords are owned by people in Canada in preference to the old horse-drawn buggy and other makes of cars.

Your neighbors, and farmers in every section of the Dominion are abandoning their old buggies—selling their driving horses and buying Fords.

Ford cars are utility cars. They are built to endure the strain of constant daily use over rough roads.

These are the tests every farmer gives his car. The Ford meets them in a satisfactory manner. It is the farmer's car, so why not replace your horse and buggy with a Ford?

BOY SCOUTS' COLUMN

Edited by "Pioneer."

Troop First! Self Last!

Orders by Command for week end-
ing 18th May, 1918.

Duties—Orderly patrol for week.
Eagles; next for duty, Otters.

Parades—The combined troop will
parade at the Club room on Wed-
nesday and Saturday, 15th and 18th
May, at 7.15 and 2.15 p.m. respec-
tively.

Scout W. Walker passed tests for
Tenderfoot Badge on Saturday, 27th
April, and along with Scouts C.
Richards, F. Hewetson and E. Groves
was invested as a Scout on the 1st
May.

The gratitude we should like to ex-
press to all our friends who helped
to make the concert the success it
was is only limited by the size of our
column. In particular, we wish to
thank Miss E. Jones and Mr. George
McKenzie, who trained us for the
songs, and who have been with us so
much lately, that we almost feel that
they are members of the troop; Mrs.
Small and Mrs. Rowcliffe for material
loaned and for decorating the stage;
Mr. and Mrs. J. C. Richards for serv-
ices in box office and as accompanist
respectively; Messrs. D. Lloyd-Jones
and Swerdfager for enabling two of
our leaders in their employ to get off
for Friday and Saturday afternoon;
Miss Raymer, manager of the theatre,
for courtesies extended and loan of
material, and last but not least, the
Cubs and their masters, instructors
and accompanists, Cub-master Gor-
don, Asst. Cub-master Bartholemew,
Miss Packham, Miss Ritchie and Mr.
Henry Tutt. We also wish to thank
Mr. DuMoulin for hospitality in
assisting with the entertainment of
the Summerland scouts, and Mrs.
Richards and her willing band of
helpers for their services with the tea
on Saturday after the concert.

National Bicycle Week is Here

National Bicycle Week, May 4th to
11th, taking in two Saturdays, is this
year assuming large proportions and
the spirit of "coming back" to the
bicycle as an ideal vehicle of trans-
portation in these times of scientific
economy, is spreading over the whole
country.

The bicycle is coupled close to "the
international thought," and desire for
genuine conservation of time, money
and energy.

The idea of National Bicycle Week,
organized by the United Cycle Trade
Directorate, composed of the leading
bicycle makers and distributors, is
not to bring the bicycle back, because
the bicycle never went away, but
rather to bring the people back to
the bicycle.

It is natural that the bicycle should
roll in and out of public favor in
"cycles." It rolled in half a century
ago on the heels of the old "bone-
shaker"—the velocipede—climbed to
undreamed-of popularity and then
came the automobile with all its
temptations, fully equipped with every
conceivable device to encourage
waste and laziness.

The multitudes wandered afar from
the straight and narrow "bicycle
path" and sought the green fields and
the mountains via the road to hard
times.

Now the "cycle" turns around again
and the good old bicycle stands by,
offering a new life line. In the bat-
tle line of Democracy the most Dem-
ocratic vehicle in the world slides
gracefully up to the front.

Mr. Geo. Hampton Dobie, of Ver-
non, the Okanagan manager of The
Okanagan Telephone Company, was
married on April 27 to Miss G. D.
Warr, of Salmon Arm. The wedding
took place at Kamloops.

The Kaslo city council have en-
dorsed a resolution calling on the
authorities to see that the provincial
constable for that district goes to
the war and that the position be given
to a returned soldier.

A small bush fire was burning near
Fernie last week and on Thursday
destroyed the stable, three horses and
hay of the Elk Lumber Company's
new camp! All the available men of
the district were out fighting the fire.
